IV. Narrative Responses:

Please use a separate page to provide narrative responses to items 1-6 listed below. The narrative portion is limited to two pages for each item. Responses should be printed single-sided, using a font no smaller than 12-point and double spaced. All margins must be at least one inch.

1. Describe the unique and innovative approaches to advancing agricultural literacy in the classroom.
2. Identify the teaching methods employed (i.e. experiential, case study, etc.). Specify agricultural concepts taught and which academic areas of student were utilized. What was the depth and duration of the activity? Explain how these learning experiences helped advance state and/or national education standards.
3. Explain how these activities helped students better understand the impact American agriculture has had on personal lives, our national heritage, the environment, the national security, and the economy.
4. Describe any involvement or contact with the Kansas Foundation for Agriculture in the Classroom, Foundation resources used, etc.
6. General Comments (Examples: Have you or one of your students been touched in a special way while studying agriculture? How has your school or community responded to the agriculture-related learning activities?)

V. Letters of Recommendation:

Letters of recommendation should help describe your ability to promote agricultural literacy and your role in applying agricultural education in your current curriculum. Letters are required from the following individuals:

Endorsement by an Administrator: The degree to which a letter (signed and dated) by a school administrator substantiates the nominee's excellence in and dedication to the teaching role.

Endorsement by a Co-worker: The degree to which a letter (signed and dated) by a co-worker substantiates the nominee's excellence in and dedication to the teaching role.
